

POLLY HAGEY BARREL RACING CLINIC

March 6-7, 2010 (Saturday - Sunday)
During ILLINOIS HORSE FAIR
Illinois State Fairgrounds, Springfield
March 5-7, 2010 (Friday - Sunday)

... opportunity to ride with a multi-time World Qualifier

"My goal in working and competing is to help horses understand their riders, and riders understand their horses."

Polly Hagey is a National Barrel Horse Association multi-time world qualifier who has been competing professionally since 1994. She is a member of the WPRA and in 2006 won the 1st Division and 2nd Division barrel race at the NBHA Illinois State Show. In 2009 she qualified for the Central States Rodeo Association Finals.

Hagey and her family have specialized in raising and training top quality barrel and roping horses for 20 years. They have had four stallions – Sharp's Bay, Im Razor Sharp, Sharp Turn Dash and Peggy's Gay Cash – who have produced top quality offspring competitive in barrel racing and roping.

Working together as a team in whichever discipline they choose proves to be the winning combina-

tion. The rider needs the horse; the horse needs the rider.

"You don't have to be a 1st Division rider in barrel racing to love what you're doing. You can love what you're doing and be a successful barrel racer no matter what the outcome is at the end of the race. It's about you and your horse competing against yourselves. The amount of hard work and effort that you put into something determines what you get out of it."

Hagey's appearance is courtesy of Miss Rodeo Illinois Association. Clinic assistants will be Miss Rodeo Illinois 2010 Katie Chaffin, Miss Rodeo Illinois 2009 Rebecca Kloker and Miss Rodeo Illinois 2008 Carly Hagey.

Illinois Horse Fair, presented by Purina Mills, Midway Trailer Sales and John Deere, is in its 21st year and annually attracts more than 10,000 horse people.

Clinic Fee: \$150

Clinic fee covers two-hour sessions on Saturday and Sunday. The limited clinic will be a group session, with each rider working individually.

In addition to clinics, Hagey will hold a one-hour Question & Answer session for clinic riders and observers.
